Introduction

McFunSoft iPod Video Converter is professional video software which provides an easy way to convert almost all popular video files to iPod compatible video files.

McFunSoft iPod Video Converter supports a wide range of formats including AVI, MPEG, DV, WMV, MOV, MP4, RM, RMVB, 3GP, H.264, VOB, etc. All conversion processes are fast and easy to handle.

Features

Converts any format to iPod compatible Video.

Converts any format to MP4 to be played on general portable video devices, such as MP4 player.

World's fastest video conversion speed.

User-friendly interface that is easy-to-use.

Transfers video files to iPod directly. No need to install iTunes or other softwares.

Supports batch conversion.

Stunning video and audio quality.

Supports a wide range of video/audio options for MP4 files. For example, video/audio sample rate, bit rate, video size...

Offers the option to automatically shutdown your computer when the conversion has been completed.

Quick Start

The following instructions should get you converting files in no time!

1. Start the program. Choose the desired format. The Description of the output format will be displayed in the description window.

2. Click the "Add" button to add files. The added files will be listed in the show window. Click "Delete" or "Clear List" to delete files

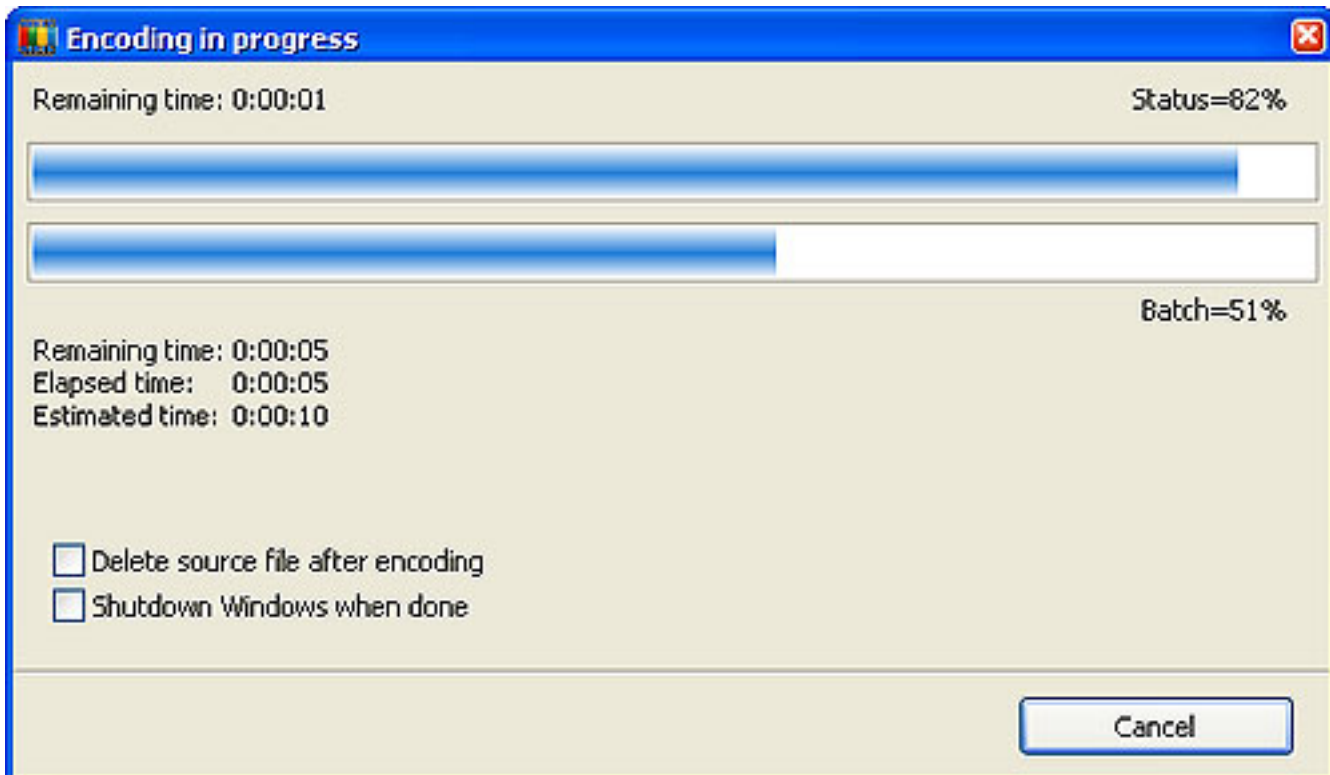

3. Select video/sound parameters in the drop-list menu.

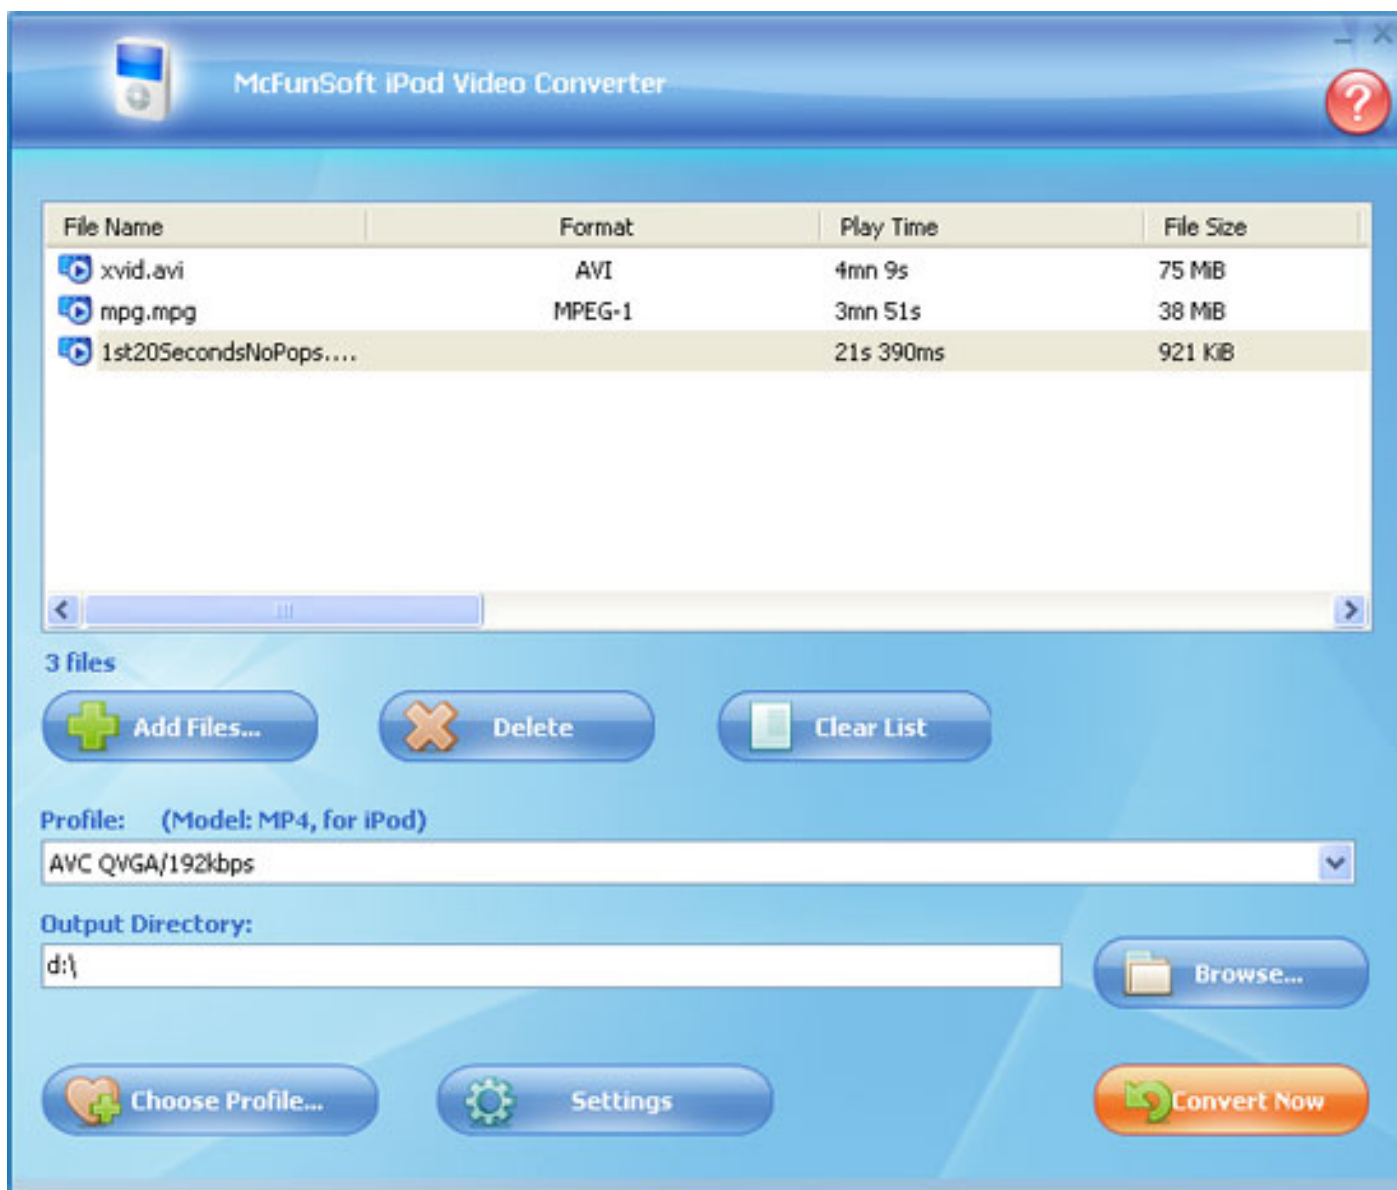

4. Click the "Browse" button to select the output directory.

5. Click the  button to convert! The pop-up window will indicate the progress of converting.

How to buy McFunSoft iPod Video Converter

As soon as you make your order, our resellers will verify it. Your order will most likely be processed within 1 hour, but in some VERY rare cases it may take resellers more than 24 hours to process your payment.

The registration key will be automatically generated at our server and e-mailed to you immediately after we receive payment confirmation from our e-commerce reseller.

Please do not worry if you haven't received the registration information right away. Delays usually occur due to the high security settings of spam filters used by our clients. Our message may be rejected as a spam message by the mail service you use.

If you haven't got the registration message within several hours, feel free to contact our [Support Team](#) via email.

If you have questions concerning our software, please send e-mail to: sales@mcfunsoft.com. **We always do our best to help you!**
